Presented by: L. Phillips Runyon III

What is Estate Planning anyhow?

- **Arranging your legal, financial and family affairs for lifetime and beyond**
- **Not just for people who own an estate**
- **Not just for people with children and grandchildren**
- **Not just for senior citizens**

Lifetime Arrangements

- **Durable powers of attorney**
- **Health care directives**
- **Getting organized**
- **Making decisions**
- **Leaving guidelines or instructions**

Arrangements Beyond

- **Wills**
- **Revocable trusts**

Why Wills?

- **You decide what happens, not the court**
- **Who's in charge**
- **Who gets what**

Why Revocable Trusts?

- **Provide for young or special beneficiaries**
- **Keep your arrangements confidential**
- **Avoid probate!**
